Forecast for Wednesday 29 Nov 2023

Weather: Wintry showers dying out overnight with clear spells, a frost possible around dawn. This will leave a mainly dry, bright and cold day with some sunny spells, although isolated snow flurries are possible.

Chance of cloud-free hill tops above 600m: 40% overnight, rising to 80% during daylight hours.

Low cloud and visibility: Generally no significant low cloud expected, but patches or occasional cloud, base 600m early in the night. Visibility mostly very good or excellent, except in low cloud and snow.
